DEMOCRATIC COMMITTEE STRIKES FROM SHOULDER

No Mincing of Words in Document Which State Committee Officers Sign.

The following letter, addressed to the people of Utah by the officers, by the executive committee and by the advisory committee of the Democratic state committee of Utah, was presented to the Deseret News on Thursday by Samuel A. King, chairman of the Democratic state committee of Utah, with a request that it be published. Mr. King was informed that it would not be published as written, but that the substance of it would appear Thursday evening in the issue of the News. Then he made a contract with the business office for its publication as an advertisement, the first appearance to be on Thursday evening, and then to appear daily in the News and also in every issue of the Semi-Weekly News until election day.

The substance of the letter did not appear nor did it appear in its entirety as an advertisement. About 4:30 o'clock Mr. King was advised over the phone that the matter would not appear Thursday, but that it would appear on Friday as an advertisement. The delay, no doubt, is due to the fact that the hierarchy and the Smoot "Mouth" must be counted before it appears. Here is the letter:

Address to Utahns.
To the people of Utah—During the past two weeks the Inter-Mountain Republican, Republican speakers and Republican campaign managers have been and now are wilfully and deliberately misrepresenting the Democratic party and its candidates and those charged with the conduct of the Democratic campaign.
The Inter-Mountain Republican during this time has repeatedly charged that a deal has been consummated by the Democratic party through its chairman, Samuel A. King, with the American party by which the American party would vote for the American county, judicial and legislative tickets in Salt Lake county in exchange for certain Democratic tickets. It has charged that the leaders of the Democratic party have been tampered with by the American party, and that the American party has been tampered with by the Democratic party for the purpose of perpetuating trouble and contention within the state of Utah and for the purpose of making it possible to prosecute certain leaders of the Mormon church and to drive them from the state.
On behalf of the members of the Democratic state central committee, the members of the Democratic executive committee and of the Democratic advisory committee, we hereby denounce the statements as being wilful, malicious and deliberate falsehoods, originated, circulated and proclaimed for the express purpose of alienating the members of the Mormon church and inducing them to support the Republican ticket. We charge that this

You May Enjoy Your Meals

If You Will But Equip Your Stomach With the Right Means to Handle the Food.

If you go into a restaurant, cafe or hotel, where all your environments, the lights, dazling linen, silver, cut glass, music, chatting and laughing women, seem to foretell of a pleasant meal, your stomach should not revolt when you read the menu card.

Heavy steaks, soups, oysters, entrees, salads, etc., should hold no terrors for the healthy stomach and they do not. A small box of Stuart's Dyspepsia Tablets placed in your vest pocket will be sufficient guard against the mad revels of a worn-out stomach.

A tablet taken a few moments after a copious meal will remove any ill effects of food from your stomach and you may eat as generously as those about you.

One of these little tablets will of itself settle all questions of indigestion for that meal and will place your stomach and digestive organs in a better condition for the next.

Your blood will be enriched, and the depleted gastric fluids will be rebuilt. Stuart's Dyspepsia Tablets are natural, active, digestive agents who give to the gastric juices the elements they lack, which ease the stomach, remove irritation and enrich and stimulate the blood.

All of these statements may be verified if you will take but a little of your time to prove them.

Every drugist carries Stuart's Dyspepsia Tablets in stock and will tell you of their merit. These tablets sell for 50c per box, or send us your name and address and we will send you at once by mail a trial package free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

What Democracy Is.
We charge that the Inter-Mountain Republican, the Republican managers and leaders are not only responsible for these falsehoods, but are also responsible for their circulation, acts by which they become the enemies of the people of this state. Defeat awaits them in this election and their methods have become desperate. Though trouble and turmoil must result from their methods in the state of Utah, yet they think more of a few petty offices than they do of the welfare of this state and nation. We declare to the people of Utah that in this campaign, as in all campaigns, the Democratic party stands for Democratic principles and the representation of its people and has no other object or purpose in view than the triumph of its principles and the election of its candidates.

The Democratic party, its managers or leaders, have never at any time or upon any occasion, intimated, suggested or contemplated any agreement or combination with the American party, or any other party.

The Democratic party of Utah, its managers or leaders, are not now and never have been a party to any scheme, combination or deal with any other party whatsoever, and in this campaign it demands justice at the hands of the people of Utah and asks the voters to rebuke the malicious, wilful, disreputable and malicious campaign methods as being resorted to at this time by the Inter-Mountain Republican and the leaders of the Republican party in this state.

Signed on behalf of said Democratic committee by Samuel A. King, chairman; John F. Tobin, secretary; Thomas H. Fitzgerald, William H. Dale, Thomas N. Taylor, Henry C. Lund, H. Lee Perry, executive committee; E. H. Roberts, John Dorn, O. W. Powers, William H. King, J. W. Burton, F. S. Fernstrom, Ashby Snow, W. F. Olson, Frank R. Stevens, Mathoniah Thomas, S. R. Thurman, advisory committee.

MONTENEGRO'S WAR FEVER REACHES EVEN WOMEN

CETTINJE, Oct. 22.—A remarkable exposition of the depth to which the war fever has penetrated the Montenegrin people, as a result of the annexation of the provinces of Bosnia and Herzegovina by Austria-Hungary, was witnessed in Cetinje today, when the women of the capital united in a great street demonstration. They were headed by Princesses Zenia and Vera, daughters of Prince Nicholas, who marched through the streets carrying Montenegrin flags. They were followed by a great throng of women of all classes, who chanted war songs, stopping from time to time to plead with the men who followed in their wake to defend the sacred rights of the nation. The two princesses subsequently formed a committee for the enrollment of Red Cross nurses.

TENNESSEE'S GOVERNOR TRAVELS UNDER GUARD

UNION CITY, Tenn., Oct. 22.—Governor Patterson, who is in the Reel Foot lake region investigating the lynching by nightriders of Captain Quentin Rankin and the murderous assault on Colonel R. Z. Taylor, left today for Samburg, where the state militia sent out to preserve order is encamped. He will personally take charge of the troops.
It has developed that the governor, in going from Dyersburg to Tiptonville yesterday to see Colonel Taylor, was accompanied by an armed escort. Tiptonville is greatly wrought up over the trouble and the conditions that have precipitated it, and Lake county people are warm in their denunciation of the perpetrators of the crimes. The sheriff of Lake county, it is said, has a list of seventy-five men suspected

of being members of the night rider gang and will undertake to arrest them.

TRENTON, Oct. 22.—Attended by one of the largest crowds that ever assembled, the funeral of Captain Quentin Rankin was held here today. The young widow of Captain Rankin is prostrated.
